KEEP OFF THE GRASS.

He wrote a rondeau on her arms.
A sonnet on her face;
In quatrains he described her charms.
In triplets her grace,
He wrote an octave on her hair,
A couplet on her nose,
And then he lost the maiden fair
By stepping on her toes.

POLICE COURT

Busy Day in the City Grist-Mill—Contributors to the School Exchequer

Judge John L. Whitaker presided with his usual grace and dignity yesterday afternoon and dispensed even-handed justice without fear, favor or impartiality, and the result was a neat sum gathered in for school purposes.

Campbell Rice, of Carlisle, a worthless character, for beating Mollie Taylor, was fined and costed \$50; suspended however, provided he left town immediately and never returned. He departed.

James Lightfoot and Hattie Johnson, colored, had a misunderstanding Friday night on the corner of Third and Bridge streets, in which the colored Amazon wielded a carving knife as long as your arm on the former's head, and had it not have been for the protection afforded by a good stiff hat, Lightfoot's cranium would have been considerably hacked. While Hattie was doing the cutting act James was not asleep and was doing some knocking himself, and in consequence of rights, jabs and stomach blows, the ebony dame went to grass and took the count several times.

James, in extenuation of his action, told the Court that the Johnson woman had insulted his wife by casting reflections on her purity; Hattie said James was a prevaricator.

The Court took the matter under advisement for about five minutes, and finally decided that James was a violator of the law to the extent of \$20 and costs, and the woman was dismissed.

This merchandise was bought right, and we are giving our patrons the benefit of the low purchase price, and it seems they appreciate it from the number of suits that have gone out in the past few days. Those that have not seen the display should do so and should come in and try on some of the Suits.

A MILLIONAIRE by the name of "DINKY" is slated to succeed W. ELLIS COREY as head of the Steel Trust. Thus see how soon Mr. COREY gets the Dinkie dink.

FORAKER's candidacy for the Presidency is a farce, but FORAKER's attempt to destroy TAFT and to injure the President is a real thing. If FORAKER can get the instructions of Ohio for himself, he will deliver the vote to the candidate chosen by the enemies of the President.—*Louisville Post.*

SOMETIMES there is luck in leisure and it pays to make haste slowly. But will some one kindly come forward and inform a waiting public the status of the proposition to erect the new High School building and the District School structures? If there is a hitch in the matter, why not get the Maysville Board of Trade to line up by the side of the Board of Education and the City Council, mend the trouble and push the new buildings along this summer? As matters now stand, it is well nigh impossible to have them completed this season. Wake up, officials! The day is breaking for the brightest period in Maysville's history and the old town is to be transformed into the city beautiful during the next five years. Get in line and pull for progress, quit bucking and knocking. See what other towns have done. With over a quarter of a million dollars worth of improvements now contracted for, and other big things to follow, there should be no such words as halt or fail in Maysville's municipal lexicon; and don't you forget it.

GRAYSON is a local option town. But judging from the number of drunks in the past two weeks the "option" part must mean that it is optional with the individual whether he stays sober or gets drunk.—*Grayson Tribune.*

IMPORTS and exports are steadily increasing. Those of the month of March show a gain over March last year of \$17,000,000 in exports and \$10,000,000 in imports. Figures like these must be discouraging to those who are continually quoting the stale Cobdenistic assumption that protection presents obstacles to the development of external trade.

THE assembling of the survivors of the notable, if not immortal, "306" delegates to the National Republican Convention at Chicago in 1880, who so firmly and nobly voted solidly for 36 ballots for General U. S. Grant for a third time as President, promises to be a pleasing and memorable occasion next year when the National Convention convenes. There were many of the most distinguished Republicans in the country among the historic 306 and every member of the delegation was awarded a medal in honor of the event and an association was formed which holds reunions at frequent intervals to discuss the stirring scene which took place when Senator ROSCOE CONKLING delivered his great speech nominating GRANT for a third term. Major MORRIS C. HUTCHINS, of this city, was one of the 306 delegates, and the medal he has bearing the mystic number is a priceless talisman which recalls an epoch in political history.

RUMOR CORRECTED

Physician Who attended Robert J. Marshall Defends His Good Name

In Saturday's Public Ledger an article from the Vanceburg Sun was published, stating that it is rumored that the death of Mr. Robert T. Marshall was the result of his own action. As his attending physician and a friend since boyhood, I feel it my duty to correct this rumor, which is false and unworthy the thought of any right-thinking man or woman. His death was the immediate result of apoplexy which same disease has claimed for its victims a number of his family for generations back, he having also lost a sister from the same disease last September. From his general appearance one learned in such diseases, would know that he was a fit subject for apoplexy, and also knowing his consistent Christian life, one would spurn even the thought as unworthy of his having met death by his own hand.

I was called in the night to see him, but he was dead before I reached his home, having died instantly, as the sunning out of a candle; not by his hand, but by the hand of God, whom he has faithfully served for a number of years.

He had no symptoms of any death which could be caused by his own action, and if the one who started this rumor will kindly disclose the drug, which will cause instantaneous death without any symptoms whatever either before or after death, he or she will render the medical profession a great service.

Mr. Marshall had a few enemies, which all the good have, but even his most bitter enemy could not call him a coward, and we know that if he had been called upon to meet reverses in life, he would have met them with the same bold, fearless spirit and unwavering trust in God, with which he met all other difficulties in life. He has a host of warm friends here who will not hear his character defamed without a vigorous protest.

Sun Brothers' Promise An Afternoon and Night of Regal Splendor and Something New

Thousands of artistic posters and other attractive advertising literature throughout this section of the country, make the long anticipated and happy announcement, that the ever-popular and mighty Sun Brothers' Famous Shows will exhibit in Maysville on the afternoon and evening of June 3d. This year every department of this already big amusement carnival has been enormously augmented. The Sun Brothers' Shows have always been the acme of chasteness. In the mammoth Zoological department are exhibited typical specimens of every species of animal life extant. "Music the anubine of the soul," this poetic quotation has been borne in mind by the management, and the musical portion of the program has not been neglected. A fine concert band of twenty men with four special soloists will give concerts, one hour previous to the beginning of the regular "big show" entertainment and this same organization will also render the harmony for the regular performances. As an introduction to the good things to be offered at the afternoon and evening performances in Maysville, a series of magnificent free exhibitions will be given on the show grounds at 11:30 a. m. These free out door fetes will be worth witnessing and will include acrobatic "thrillers," novel comedy acts, band concerts, daylight fire-works, etc. The Messrs. Sun cordially invite the public to come and see these brilliant free spectacles, even if they cannot attend the performance.

Ohio Court Declares 10c Extra Fare is Unlawful Graft

The scheme of the railroads, to compel passengers to buy their tickets before boarding trains by requiring them to pay an additional 10 cents when cash fare is paid, was declared to be contrary to the 2-cent fare law of Ohio in a decision of the circuit court rendered in the case of Marion Miller against the Toledo & Ohio Central railway.

The court held that although a receipt for the 10 cents extra fare had been tendered Miller entitled him to recover the excess within thirty days, the legal rate of fare was being exceeded.

MAYSVILLE MAN'S WIFE

Operated On For Appendicitis at Christ Hospital, Cincinnati

Mrs. C. T. Pearce, better known as Miss Mary Hall, who was stricken with appendicitis at Menominee, Mich., while starring in the "Girl of the Golden West," underwent an operation at Christ Hospital, Cincinnati, Tuesday. Dr. J. C. Oliver found her to be in a very serious condition, but she had calmly prepared for the ordeal and very courageously submitted to the surgeon's knife. The operation was reported to be entirely successful.

Dr. C. T. Pearce, Miss Hall's husband, is the oldest son of Mr. Charles Burgess Pearce, Cashier of the Farmers' and Traders' Bank of this city. The stricken lady has visited here, and is greatly admired by a large circle of friends.

At Lexington William Ricks a negro lawyer has been admitted to the bar.

It will take another week to secure a jury in the Haywood case at Boise City.

At Portsmouth, Jerry Brown an escaped criminal, swam the Ohio in his clothing and big revolver buckled around his waist, in order to avoid arrest.

The London physicians who are advising people to eat to slow music surely cannot expect themselves to be taken seriously at the railway restaurants where trains stop ten minutes for refreshments.

At Washington one of the features of the American Baptist Missionary Union's meeting was a resolution appealing to the Baptists of the country to contribute one-tenth of their incomes to advance Church work.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

WOMEN WHO CHARM

Health Is the First Essential Toward Making a Woman Attractive.

MISS HULDA KUGLER

MISS ELIZABETH WYNN

There is a beauty and attractiveness in health which is far greater than mere regularity of feature.

A sickly, irritable, and complaining woman always carries a cloud of depression with her; she is not only unhappy herself but is a damper to all joy and happiness when with her family and friends.

It is the bright, healthy, vivacious woman who always charms and carries sunshine wherever she goes.

If a woman finds that her energies are flagging and that everything tires her; if her feminine system fails to perform its allotted duties, there is nervousness, sleeplessness, faintness, backache, headache, bearing down pains, and irregularities, causing constant misery and melancholia, she should remember that Lydia E. Pinkham's Vegetable Compound made from native roots and herbs will dispel all these troubles. By correcting the cause of the trouble it cures where other treatment may have failed.

Miss Elizabeth Wynn, of No. 203 8th Avenue, New York City, writes:

Dear Mrs. Pinkham:—
"For months I suffered with dreadful headaches, pain in the back and severe hemorrhages. I was weak and out of sorts all the time. Lydia E. Pinkham's Vegetable Compound helped me when all other medicine had failed. It seemed to be just what I needed and quickly restored my health."

Miss Hulda Kugler, of No. 25, West 15th Street, New York City, writes:

Dear Mrs. Pinkham:—
"For months I was ill with an internal trouble. I suffered terrible agony, was nervous, irritable, and sick all the time. I took different medicines without benefit. Lydia E. Pinkham's Vegetable Compound was recommended and within six months I was completely restored to health and I want to recommend it to every suffering woman."

Women who are troubled with painful or irregular functions, backache, bloating (or flatulence), displacements, inflammation or ulceration, that bearing-down feeling, dizziness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful.

BOODS.

Corn planting is in order here this week. Perry Boyd and A. J. Truitt are on the Grand Jury at Vanceburg. Prof. R. Edwin Boggs will lecture at Maysville next Wednesday evening, May 22d. The Postoffice here has received a supply of the new Jamestown Exposition commemorative stamps. W. H. and C. W. Ferguson had some sheep killed by dogs Sunday morning. The dogs were killed.

The Plumville correspondent has evidently got the Fears and Boggs communications mixed, as we have never referred to the price of potatoes. However, we wouldn't object to some 62¢ ct. potatoes.

Some of our merchants are going to Manchester to trade because they get better prices for their country produce. Maysville needs a commission house that will pay Cincinnati market prices for country produce.

Funds are being solicited for the erection of a \$2,500 academy near Ebenezer Church. We sincerely hope that the amount will be raised, for such a school is badly needed here. The public schools of this place, Cottageville and Oakhill will probably unite in the academy, and the public money, together with the endowment money which is promised by Louisville parties, will insure a good nine months school.

Now, as the smoke of the local option battle has cleared away, perhaps we will be permitted, through the columns of THE LEDGER to commend the good people of Maysville for their gallant fight. But the result of the battle leads an outsider as to wonder to the condition of the Churches and of whom they are composed. Alas! not to be surprised to hear of the death of the Y. M. C. A. Though the first battle was lost, we trust enough good, courageous people remain to carry the fight to victory. When Vanceburg voted on the local option question and went dry, the whisky element took an appeal and had the county to vote as a unit. Every precinct in the county went dry except one, which means that the whole county is dry. Has not the temperance people the same right to vote Mason county as a unit? and if it votes as a unit and goes dry, both the city of Maysville and the county of Mason will have to let the saloons go. That which is fair for one side ought to be fair for the other.

Chisholm, Constable in District No. 2, living at 343 East Second street, Maysville, Ky., says:

"Doan's Kidney Pills positively cured me of kidney trouble and I do not hesitate to give them the strongest kind of recommendation. I had been troubled with too frequent action of the kidney secretions and it disturbed my rest nights. Having my attention called to Doan's Kidney Pills I procured them and noticed an improvement in my condition from the start. My trouble was soon entirely cured. This was some five years ago, and I have had no return of it since. Anyone suffering from difficulties arising from disordered kidneys can make no mistake by using Doan's Kidney Pills."
